Follow these steps to register for spring semester:

Steps to update emergency contact information:

- Go to ISIS at http://www.isis.ufl.edu/.
- On the left-hand menu under “My Record,” select the option to “Update Emergency Contact Info.”
- You will be prompted to log-in with your Gatorlink account information and redirected to a page where you will be prompted to update your emergency contact information.
- Don’t forget to click “Submit” at the bottom of the page to save your information.

Steps to accept the registration acknowledgement:

- Go to ISIS at http://www.isis.ufl.edu/.
- On the left-hand menu under “Registration,” select the “Registration Prep” option.
- You will be prompted to log-in with your Gatorlink account information and redirected to a page where your personal information will appear.
- Click “Continue” to display your registration start time and any holds.
- You should see the following hold: “You may not register because you have not accepted the terms of enrollment. Click here to complete this process: Complete Registration Acknowledgment for [semester]”. The last sentence is a blue link that will take you to the registration acknowledgment form. Read each of the terms and check the “I Accept” box next to each choice.
