The goal of a shelter medicine externship is to provide the veterinary student with a robust training experience in shelter medicine accompanied by exposure to the critical aspects of animal sheltering. **Please fill in the attached blank calendar with a sample schedule that an extern would expect to follow at your agency.** A sample week's schedule has been provided. This is a tool only and is not considered a binding schedule.

To categorize subject areas, please reference the following list.

Shelter Medicine Minimum 40 hours of 80-hour externship
For example: Rounds, treatments, exams, forensic cases, population management, infectious disease control, preventive health care, etc.

Sheltering Operations Minimum 20 hours of 80-hour externship
For example: Working with administration/management, cleaning and disinfection, animal control officer ride-alongs, working at the shelter intake area or in adoptions, etc.

Shelter Animal Surgery Up to 16 hours of 80-hour externship
For example: Shelter animal spay/neuter and other surgical procedures. Time can exceed 16 hours if other minimum requirements are met.

Shelter Animal Behavior Up to 12 hours of 80-hour externship
For example: Wellness and environmental enrichment, behavior assessment, behavior modification.

Community Medicine & Surgery Optional
For example: Public-owned animal spay/neuter, vaccinations, wellness, etc.

Upon submission of this application to Maddie's Shelter Medicine Program, I give permission for a Student Services Coordinator to submit an [application](#) on my behalf to the UF CVM Office for Students and Instruction, in order to complete the externship approval process.

Please submit the completed forms and any additional documentation to:
